(Jon Woodcock presenting a Goody Bag & Prosecco & saying a huge Thank you over at Watermead Financial Ltd)

I was introduced to Jon Woodcock through his brother & Co-Director Rob Woodcock, someone who I have known for a while.

After our initial chat, I highlighted that Watermead Financial Ltd were looking for a new IFA to join, but someone who had the right fit & personality. Furthermore, we just didn't really like using Recruitment Agencies because of the cost! This is when Rob & Jon outlined AJA SME Solutions instalment payment plan.

True to their word, they have found a fantastic IFA to join us, who has the personality & the fit. Plus, we have been able to use Arthur Jackman Associates unique instalment payment plan which has been fantastic.

I would have no hesitation in recommending Rob & Jon from Arthur Jackman Associates & AJA SME Solutions and of course the new instalment payment plan, which Small & Medium sized businesses, like us, must be very, very happy with, after all you get high quality recruitment & you get to pay over an agreed period of time rather than all in one go. Brilliant news for all SME's.
